**The Calgary & District Dental Society is planning your next fall social.** The last event was held at La Chaumiere Restaurant and was judged a tremendous success by all who attended. We did not sell out however. We are planning a similar event this fall. Our mandate is to promote fellowship in our professional community. Events like this remind us that we are colleagues not competitors.

If you have any suggestions on location, type of event, band choice, or anything at all please forward your ideas to [cddsocial@hotmail.com](mailto:cddsocial@hotmail.com)
