Message from the President

The past year has been one of transition and change; everything from hiring a new executive secretary to fine tuning our constitution. I would like to personally thank our Past President, Bryce Adamson for his countless hours of hard work and dedication to complete these onerous tasks.

As your new President, I am very honoured to serve CDDS and am very excited to offer you a new year of excellent continuing education and social events. The executive board is also very proud of the fact that, in a time of escalating costs, we are able to keep the price of a CDDS membership the same as last year!

I would also like to thank all the Board members for their willingness to serve our membership. These are volunteer positions and new members are always welcome (and needed) to provide fresh ideas and to keep the CDDS viable. If you would like contribute time or ideas, please contact Jane Schroeder (executive secretary) at cddsadmin@gmail.com.

I wish all of our members and their families a very safe and happy summer.

Sincerely,
Dr. Tobin Dotys
