Creating Endodontic Excellence

Dr. Cliff Ruddle

Predictably successful endodontics is dependent on shaping canals, 3D cleaning, and filling root canal systems. Evidence-driven techniques will be presented to demonstrate the procedural steps that comprise start-to-finish endodontics. Specifically, this lecture will focus on those factors that influence success, including endodontic anatomy, pulpal breakdown, access cavities, glide path management, shaping canals, and 3D disinfection. Dr. Ruddle will teach the most recent advancements and proven techniques that serve to guide each endodontic case toward a predictably successful conclusion.

Course Objectives:

At the conclusion of the lecture, participants should be able to:

Appreciate the role endodontic anatomy plays in treatment success.

Understand how a mechanical strategy influences negotiating and shaping canals.

Identify the most proven, cost-effective, methods to 3D clean root canal systems.

— NOTICES and EVENTS—

ATTENTION ALL CURLERS - NEW & BEGINNER

This past March Calgary was the proud host city for the 2017 Western Canada Dental Society Bonspiel. In 2018 the Bonspiel will celebrate its 50th Anniversary in Regina (21 to 24 March). Now is the time to LEARN TO CURL, SAFELY, TO AN ABOVE AVERAGE LEVEL, IN LESS THAN 90 MINUTES, so that you can be a enthusiastic and confident participant in this very special event. Although curling is a fantastic spectator sport, it is inexpensive, not time consuming, and an easy sport to learn. I guarantee it by offering complimentary lessons during nine of the twelve months of the year (you can only play golf 7/12 months, if youre lucky). Our Calgary District Dental League begins 02 October 2017, so why not get a Headley start and LEARN TO CURL, SAFELY, TO AN ABOVE AVERAGE LEVEL, IN LESS THAN 90 MINUTES throughout the month of September. I promise you will be “Regular Season Ready” by October, just like our 2017 Scholarship winners in the enclosed photo. Furthermore, all new curlers will be eligible to win a flight, accommodations, and free registration package for the 51st Annual Bonspiel, in British Columbia. This year’s Regina prize bundle was valued at \$3400. Call Dr. Neville Headley for this opportunity of a lifetime, at 403-880-3138. If your breathing, then you can learn to curl!

Deadline for October newsletter submissions is 12pm Monday, September 25, 2017
