The Thriving 2017 Fee for Service Practice

Dr. Steven Rasner Dr. Rasner explains the protocols and foundations that can elevate any dental practice to extraordinary levels of success. Protocols that will drive patients to go out of network for your services; Practice management strategies that skyrockets case acceptance, increase cash flow and decrease the bumps in your day. Use it on Monday production enhancing clinical gems; Leadership principles that have kept his staff of 21 together for an average of 17 years without going broke! Lastly, how the super achiever can give back to the world and not miss out on the most important part of the journey; family, and a full life.

This powerful and inspiring presentation was designed to provide a real-world recipe for breaking away from third-- party carriers and regaining your independence. Drawing from the experience gained in 30 consecutive years of increased growth and profitability, Dr. Rasner explains the protocols and foundations that can elevate any dental practice to extraordinary levels of success. Protocols that will motivate patients to go out of network for your services, guaranteed. Practice management strategies that skyrocket case acceptance, increase cash flow and decrease the bumps in your day. Use it on Monday production-- enhancing clinical gems that range from enhancing your soft tissue esthetics to dramatically improving your anesthetic technique. Leadership principles that have kept his staff of 21 together for an average of 17 years, without going broke! The psychology of winning: the mental toughness we all need to bounce back from that bad week. Lastly, where balance fits into the dynamic of success. How the super achiever can give back to the world and not miss out on the most important parts of the journey: family, and a full life.

**CALGARY
FOOD BANK**

Dear Colleagues and Friends,

The holiday season is fast approaching, as is **“SMILE SEASON”!**

We are celebrating the 25th year of Smile Season and many of you have been with us from the beginning. The Calgary and District Dental Society is asking for your involvement and support to make this year's campaign a success.

Over the past 24 years, “Smile Season” has collected over \$438,000 in food and cash donations.

In conjunction with the annual Mayor's Christmas Food Drive, “Smile Season” 2017 will run from November 13th thru the month of December. We encourage you to include your staff and client's in this campaign and contribute in any way that you can.

For every individual financial donation or box request from a dental office, your name will be entered to win a set of 4 hockey tickets to see the Flames vs Oilers - March 13, 2018, compliments of Complete Dental Ceramics Inc.

While we are seeing positive signs of economic recovery, many individuals and families, throughout our city, continue to struggle to put food on the table. Together, we can make a valuable contribution and impact the lives of many struggling Calgarians.

Let's make this the best “Smile Season” ever!

Thank you to Complete Dental Ceramics Inc. and Instabox for their continued support in making this project a success.

Sincerely,

Dr. Tom Wierzbicki - Calgary & District Dental Society

Tara Sarjoo - Calgary Food Bank

Cliff Campbell - Complete Dental Ceramics Inc.

Deadline for January Newsletter submissions is 12pm Friday, December 22, 2017

About the Presenter:

Dr. David French BSc, DDS:

Dr. French is a Registered Specialist in Periodontics. He is an early adopter in clinic security, especially digital and network security as well as privacy compliance.

Dr. French will speak on security best practices to protect your practice from the dangers of criminal infiltration such as theft and ransomware, and how he has been working to protect his clinic and his patients from security risks as well as meet provincial guidelines.
