Metropolitan Centre 333 4th Ave

SW, Calgary, AB

Friday, November 16, 2018

Registration starts at 7:45am Seminar time 8:30am– 4:00pm

"Integrating Periodontal Medicine to Minimize Systemic Health Risks"

Dr. Doug Thompson

Periodontal disease detection criteria and how we treat active disease are changing. It is becoming clearer and clearer that it is not just an oral problem; it is a systemic problem. The new approach features the use of the saliva (salivary diagnostics) and other personalized patient information to assist with disease diagnosis and treatment. These concepts can transform your routine hygiene services to value added experiences of personalized periodontal medicine.

Personalized Periodontal Medicine is a course designed for the general practitioners, their lead hygienist and/or their entire team who are serious about advancing the periodontal health of their patients, the health of their team, and the health of their practice. A thorough understanding of the oral systemic link, complemented with the use of salivary, provides an opportunity for significant professional and financial growth for your entire office.

Featuring a series of case studies, you will see that practicing this way is 21st century periodontal care. Utilizing a comprehensive approach, and adding organized structure, you can radically transform your practice and demonstrate to your patients your true concern for their overall wellness.

COURSE OBJECTIVES:

Increase the periodontal awareness of everyone in the office to enhance team/patient discussion and early disease detection.

Learn how to develop an office-wide high quality periodontal policy.

Learn awareness about how the bacterial profile may affect vascular disease concerns and heart attack risk.

Show the use of clinical adjuncts to control inflammation and the rate of clinical attachment loss.

Reveal implementation challenges in leading a new periodontal standard of care.

Director of Operations - Complete Health Dental Office Red Deer.

At Concept Dental we have a big vision! As the Director of Operations, you will have the opportunity to build a promising career, find fulfillment and continue to build our bright future. We will help you take your drive and dedication as far as you want to go. When you join us as Director of Operations, you will have tools and resources to excel and build a rewarding career. Your support starts with a training program including unique online components and valuable mentorship. And, as you build your future with us, you will discover additional opportunities for continued education and training, helping you attain personal growth and professional goals. In this entrepreneurial role, you will use your team-building skills to inspire our team. You will continue building our culture and impact our community through collaboration, education and complete health. If you are looking for an opportunity to enjoy both professional excellence and a balanced lifestyle, join us at Concept Dental.

ATTENTION ALL CURLERS - NEW & BEGINNER

This past March Regina was the proud host city for the 2018 Western Canada Dental Society Bonspiel. The Bonspiel celebrated its 50th Anniversary from 21 to 24 March. Now is the time to LEARN TO CURL, SAFELY, TO AN ABOVE AVERAGE LEVEL, IN LESS THAN 90 MINUTES, so that you can be a enthusiastic and confident participant in the 2019 Bonspiel.

Although curling is a fantastic spectator sport, it is inexpensive, not time consuming, and an easy sport to learn. I guarantee it by offering complimentary lessons during nine of the twelve months of the year.

Our Calgary District Dental League begins 01 October 2018, so why not get a Headley start and LEARN TO CURL, SAFELY, TO AN ABOVE AVERAGE LEVEL, IN LESS THAN 90 MINUTES throughout the month of September. I promise you will be "Regular Season Ready" by October, just like our 2018 Scholarship winners (Dr. Bob Ronaghan and Dr. Jenny Punnett) in the enclosed photo.

Furthermore, all new curlers will be eligible to win a flight, accommodations, and free registration package for the 52st Annual Bonspiel, in our provincial capital. This year's Regina prize bundle was valued at \$3400. Call Dr. Neville Headley for this opportunity of a lifetime, at 403-880-3138. If your breathing, then you can learn to curl.

**CALGARY
FOOD BANK**

Dear Colleagues and Friends,

The holiday season is fast approaching, as is **"SMILE SEASON"**!

We are celebrating the 26th year of Smile Season and many of you have been with us from the beginning. The Calgary and District Dental Society is asking for your involvement and support to make this year's campaign a success.

Over the past 25 years, "Smile Season" has collected over \$448,000 in food and cash donations.

In conjunction with the annual Mayor's Christmas Food Drive, "Smile Season" 2018 will run from November 22nd thru the month of December. We encourage you to include your staff and client's in this campaign and contribute in any way that you can.

For every individual financial donation or box request from a dental office, your name will be entered to win a set of 4 hockey tickets to see the Calgary Flames vs Toronto Maple Leafs - March 4, 2019, compliments of Complete Dental Ceramics Inc.

While we are seeing positive signs of economic recovery, many individuals and families, throughout our city, continue to struggle to put food on the table. Together, we can make a valuable contribution and impact the lives of many struggling Calgarians.

Let's make this the best "Smile Season" ever!

Thank you to Complete Dental Ceramics Inc. and Instabox for their continued support in making this project a success.

Sincerely,

Dr. Meggan Schiffner - Calgary & District Dental Society
Tara Sarjoo - Calgary Food Bank
Cliff Campbell - Complete Dental Ceramics Inc.
