### "Endodontics for GP's: Better, Faster & Safer Root Canals"

If you want to perform more root canals, or haven't changed your root canal protocols in the past couple of years, or are nervous about performing root canals, then this course is for you. It is practical, honest and engaging! You'll see how root canals have become less stressful and more predictable.

The program is tailored to novice and experienced GPs, very informative, easy to follow and clinically relevant. Numerous clinical cases will be presented along with High Definition and 3D videos to highlight key points.

#### Learning objectives:

**FASTER.** Learn how to more efficiently: locate canals (including MB2), instrument and obturate

with fewer steps, and one vs two appointment root canals.

**BETTER.** Learn how to better: access teeth, locate and instrument cal'd canals, follow canal

curvatures, anesthetize (hot) teeth, improve intra-canal medications.

**SAFER.** Learn how to separate less files, prevent perforations, avoid canal ledging / blocking,

prevent obturation extrusion, reduce post-op pain.

## — NOTICES and EVENTS—

Ever thought of doing some Volunteer dental work? How about Ethiopia, Rwanda, and Eritrea? Hopethiopia, a Calgary based Not for Profit organization has been taking health care teams to East Africa for many years.

We are looking for volunteer teams to help us out in these locations. Whether you are a dentist, hygienist, assistant, or support staff, we are in great need of assistance at our projects. A typical volunteer team lasts for one to three weeks and we take care of all the details. Even adding on a trip to see the Gorillas, taking part in a safari, or experiencing ancient beauty is all possible

For more information, contact Hopethiopia at our website at [www.hopethiopia.com](http://www.hopethiopia.com) or contact Dr. Ralph Dubiensi at [ralph.dubiensi@hopethiopia.com](mailto:ralph.dubiensi@hopethiopia.com) 403 836 5536

### ATTENTION ALL CURLERS - NEW and BEGINNERS

Calgary is proud to be the host city for the #1 Dental Curling League in Canada. Now is the time for Dental Team members to learn how to curl. Complimentary lessons are still available to ensure you look and perform like a curler in time to join our Calgary District Dental League, which starts 07 October 2019.

Although curling is a fantastic spectator sport, it is inexpensive, not time consuming, and an easy sport to learn. I still guarantee you will LEARN TO CURL, SAFELY, TO AN ABOVE AVERAGE LEVEL, IN LESS THAN 90 MINUTES.

Furthermore, all new curlers will be eligible to win a scholarship (a free registration, transportation, and accommodations, package) for the 52nd Annual Bonspiel, in Edmonton. This year's Victoria prize bundle was valued at \$3400. Call Dr. Neville Headley for more information at 403-880-3138. If you can walk on water, then you can learn to curl!
